has successfully completed the online Specialization

Quick Start Guide to Large Language Models (LLMs)

This certificate acknowledges the recipient's successful completion of a comprehensive course on Large Language Models (LLMs), demonstrating proficiency in using and deploying models such as GPT, Llama, T5, and BERT at scale. The holder has gained practical experience through real-world case studies, equipping them with the skills necessary to implement advanced AI solutions effectively.

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
